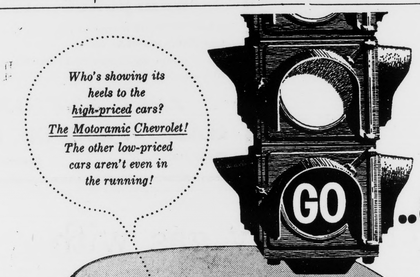
Who's showing its heels to the high-priced cars? The Motoramic Chevrolet! The other low-priced cars aren't even in the running!



..and you're gone!

The Bel Air Sport Coupe. You'll find your favorite model among Chevrolet's complete line of Fisher Body beauties.

IT'S EXCITEMENT ON WHEELS!

The light turns green . . . you nudge the accelerator ever so gently . . . and you're gone! That's the way it is in the Motoramic Chevrolet. When your toe says "Let's go," a hoodful of high-compression horsepower explodes into action, sweeping you away from traffic tangles, making short work of steep hills, putting a new kind of fun in your driving life!

RECORD-SMASHING ACTION!

That's what you get with Chevrolet's new "Turbo-Fire V8"! In the recent NASCAR* stock car competition at Daytona Beach, Chevrolet showed its heels to all other low-priced cars. In the one-mile straightaway run, the first two cars—and six of the first ten—were Chevrolets! And in acceleration runs from a standing start against all comers, Chevrolet beat all other low-priced cars—and every high-priced car except one!

Chevrolet's two new "Blue-Flame" sixes have plenty of sizzle, too. In fact, they're the highest powered sixes in the low-price field!

TREAT YOURSELF TO ADVENTURE

Come in and drive the car that is making 1955 famous! That's the only way you'll discover all the exciting reasons why Chevrolet's stealing the thunder from the high-priced cars!

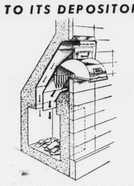
'Round the Clock Bank Deposit Service

permits you to make deposits of your cash receipts after daily banking hours every day in the year including Sundays and holidays in our MOSLER DUAL 24-HOUR DEPOSITORY.

OUR BANK IS NEVER CLOSED TO ITS DEPOSITORS!



Deposits in sealed envelopes are made in a keyless slot, as illustrated . . . just as easy as mailing a letter.

Bulkier deposits, in bags locked by the customer, are made in a hopper protected by a locked rectangular door to which the customer has the key.

Both types of deposits are instantly transmitted downward through separate metal chutes into a burglary-resistive safe inside our bank. Both chutes are protected by special baffles to prevent withdrawal of contents from outside.

Come in and let us explain and demonstrate this modern service installed for your convenience and protection.
